

Bourbon County Schools

Academic Plan 2020-2021 School Year

Bourbon County families may choose:

- Option A- In Person** with their child returning to school in person with guidelines for safety in place
- Option B- Distance Learning** with their child receiving instruction through the use of technology and remote learning
- Option C- Complete Online Instruction** offered only to BCMS and BCHS students-this option is all year, from home only

Option A - In Person

- **Students will return to school for direct instruction**
- **High school students will participate in Virtual Hub (distance learning provided by teachers in a designated location at the high school)**
- **Students and staff must wear masks at all times, other than during breakfast or lunch**
- **Supplies will not be shared**
- **Teachers will rotate to classrooms rather than students rotating classes in the elementary and middle schools**
- **No visitors or volunteers may enter school buildings**
- **No field trips**
- **No large group student assemblies**
- **In the event a student is absent, makeup lessons can be followed on Google Classroom**
- **In the event a student must quarantine from in person instruction, he/she may participate in distance learning**

Option B-Distance Learning

- ❖ **Students must have reliable internet access**
- ❖ **Students are expected to participate online (via Google meets or Zoom) at the time of instruction**
- ❖ **Attendance will be taken during distance learning**
- ❖ **Lessons will be available for later viewing (on Google Classroom) in the event that students are absent from online instruction during a lesson**
- ❖ **Student work will be submitted and graded, just as if they were participating in person**
- ❖ **In the event a student returns to in person from distance learning, they will need to return any devices including hotspots**

Option C-Complete Online Instruction (BCMS/BCHS-at home, all year)

- **Self-paced and flexible through APEX Learning**
- **Will be monitored by Bourbon County Staff**
