Below this, the main content area is white. On the left, it says "ASSIGNMENT 8:23 AM". In the center, the assignment title is "Slide Presentation about Plagiarism, Copyright, and Fair Use". Below the title, there is a description: "Create the presentation in groups of three. Everyone in the group must create one slide on each subject. Make sure your slide tells about a rule or gives an example for each subject." On the right side, there is a red banner that says "DUE TOMORROW" with a white exclamation mark icon. Assignment Submission Screen

- 1 If the teacher has not attached a template document for you to complete you can simply “Mark as Done” by using the blue button if no document submission is needed
- 2 Submit a collection of Google documents from your Google Drive, video files, links to websites, office documents or other. There is no limit to the number of attachments you can submit.
- 3 Create Google documents right from Google Classroom. The file will automatically be shared with the teacher and place in your Classroom folder in Google Drive.

Turn In Files

The screenshot shows a Google Classroom assignment interface. At the top left, the assignment title is "Budget Terms". At the top right, the due date is "DUE MON, APR 20". Below the title, there are three buttons: "ADD" with a dropdown arrow, "CREATE" with a dropdown arrow, and a prominent blue "TURN IN" button. To the right of these buttons, the status "NOT DONE" is displayed in red. Below the buttons, a message reads: "Files you add or create can be viewed and edited by your teacher." Below this message, a file card is visible for "Budgeting Terms - Evonne Edwards" which is a "Google Docs" file. The card has a close button (X) in the top right corner.

If the assignment has files to submit the “Mark as done” button is shown as a “Turn In” button. Additional files can be added or created right in the Google Classroom to submit.

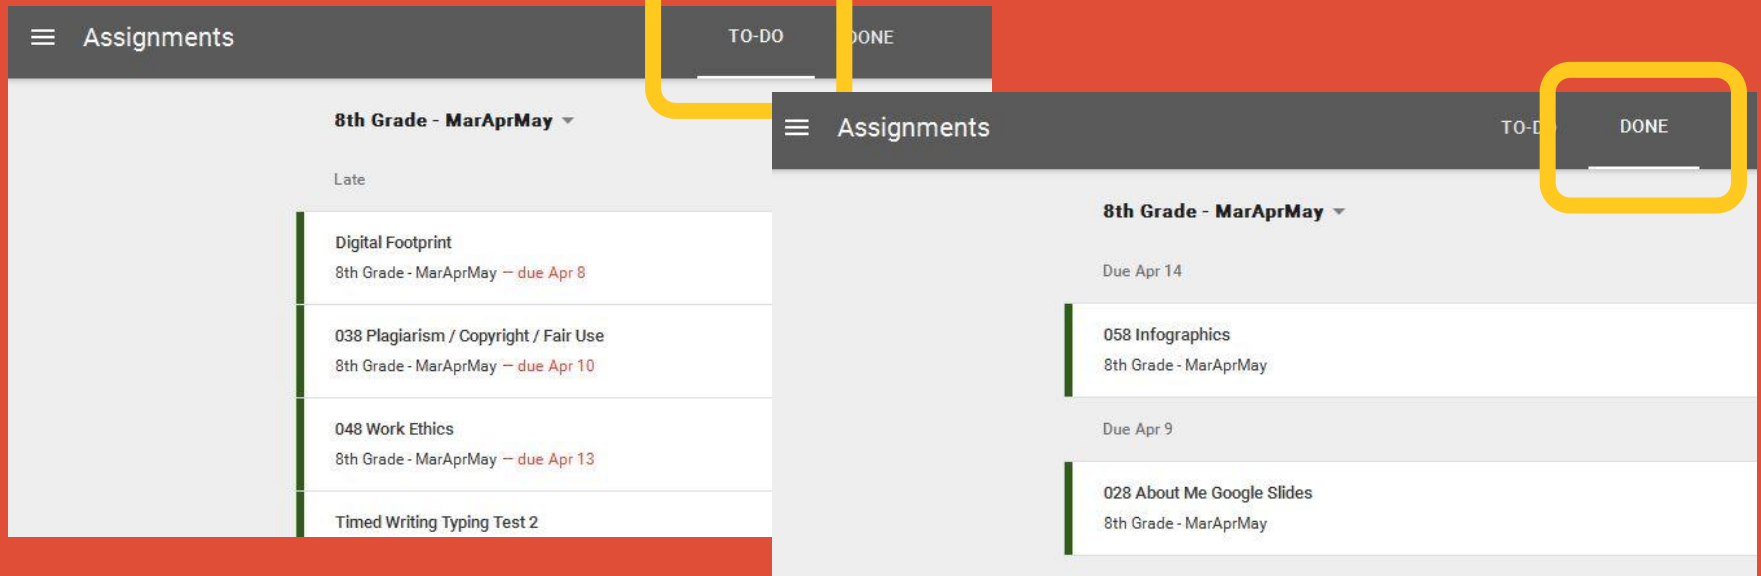

Sharing

Turning in files switches ownership of the document to the teacher and prevents student editing

Unsubmit

After turning in an assignment an unsubmit button appears. Use this to gain back editing rights

My Assignments

In the assignments section you notice a “To-Do” button and a “Done” button. These will give details of what needs to be done or let you know if you have completed the assignment and your grade if the teacher has graded the work.
